UTM Finished Cattle (14) Auctioneer Iain Soutar

Trade: With the yards now mainly empty and hay and silage making in progress, numbers not surprisingly short and with one or two 'clear ups' of lesser cattle, quality in short supply as well. Top honours this week to the Edwards family, Woodford with their Simmental x steers to 169.5p and 169p. No best continental heifers but well covered Angus to 147.5p from G N & D S Alford. Please keep the cattle coming and remember to book them in, this is particularly important whilst numbers are short.

Sheep (366) Auctioneer Simon Whaley

Please remember to use the new AML1 Movement Forms including the food chain declaration.

Trade. Less sheep on offer this week in all sections. All Lambs at less money in keeping with the national trend but not back by as much as had been feared after reports from other centres. Top price lightweights 202.5p from Tony Slade of Wyllye. Standardweights to 200p from Owen Martin of Basingstoke, mediumweights to 189.2p from Roy Jeans of Donhead St Andrew and heavyweights to 190.5p from B A Russell & Son of Horningsham. Ewes once again a storming trade and seem dearer especially for the plainer sorts. Overfat ewes becoming harder to sell. Ewes with lambs at foot good for the size and sorts on offer.

Would vendors of hoggets please mark any sheep with broad teeth erupted as these have to be sold separately.

Vendors please note that dirty sheep which cannot be killed will be heavily discounted by buyers. Please clip out where necessary. Vendors many thanks to those who notified us of their likely entries for today's market, for those who didn't please be kind enough to do so next time as early as possible and in any case by 4pm Monday either to my mobile 07971 571612 or to our Salisbury Office 01722 321215 so that prospective purchasers may be informed of likely numbers coming forward - thank you.
