

BEAULIEU ROAD PONY SALE
THURSDAY 24th NOVEMBER 2011

124 Forward Auctioneer Iain Soutar

A smaller entry than last year with October's trade certainly not encouraging too many colt foals forward. This helped the overall selling ratio with most foals selling at or just above the minimum bid and only 10 not achieving it.

As very often in November not too many buyers present, but without the recent favourable growing conditions this could have been a lot worse and there was a bit of trade for the better bred New Forest ponies and also some of the stronger, smaller or more colourful ponies of other breeds towards the end of the day. Our thanks go to the New Forest Livestock Society and their handlers for all their hard work during this year's sales and we hope for a trade more in keeping with the much improved saleyard facilities next year!
